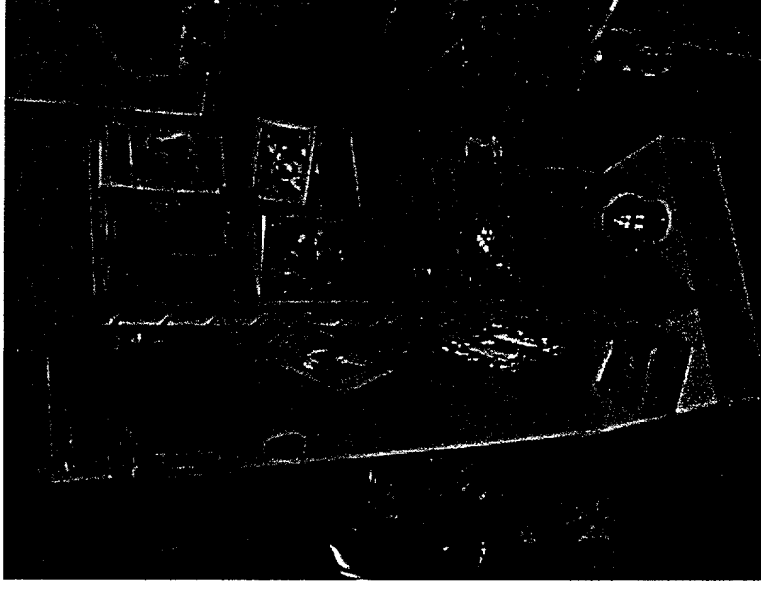

FIG. 27

A black and white photograph of a museum display case. The case is filled with various small objects, including vases, figurines, and boxes, arranged on shelves. A large, ornate, light-colored object is visible on the right side of the case. The objects are displayed on multiple levels, with some on the floor of the case and others on shelves. The lighting is even, highlighting the details of the objects. The background is dark, making the objects stand out. The overall composition is a wide shot of the display case, showing its full width and depth.

personal memorials

For many people, both young and old, their pets are the most important relationship in their lives. Often they're revered as the heart and soul of family. And of course, as everyone's best friend. So what better reason to celebrate all the special things they've brought to your life.

Throughout this catalog you'll discover various mementos honoring pets of all types, breeds, shapes and sizes. Display these keepsakes in your backyard, on your mantel, or keep them in your heart. They're a wonderful way to say, "You mean the world to me."
